

This document only includes information which we could verify that relates to you from the information you have provided. There may be additional bookings which relate to you but further verification information is required.

Also, the bookings may include additional passengers for whom we have **not** provided information in this document as such information does not fall under your data subject access request.

**For security reasons, only the last four digits of your payment card numbers are displayed. Where the card data is no longer available the document will show '\*\*\*\*' instead of the last four digits of the card number.**
